Fictional document — demonstration example

This document is produced by the Blue Lemon Agent website to illustrate what an AI agent hands to its users. The companies, matters, amounts and people in it are invented. It has no legal, accounting or commercial value.

Fictional document, produced for demonstration. **No chaser is sent to the client.**

A chaser on a contract under negotiation is a commercial act, and its tone depends on what the company wants to obtain.

Blockage	Contracts	Median age	Oldest
Client signature	19	11 days	62 days
Internal approval	8	18 days	41 days
Missing annex	4	9 days	22 days
No identifiable reason	3	41 days	53 days

A contract awaiting signature for 8 days is normal; for 62 days it is probably dead and nobody has recorded that. Age changes the nature of the flag, not only its urgency.

The three blocked with no reason
