What is kept — including manual edits

LINDBERGH FORMATION — 16 rue de Maillé, 91310 Montlhéry, France · Companies register (RCS) Evry 817 946 114

Document issued on 09/11/2026

Fictional document

Fictional document — demonstration example

This document is produced by the Blue Lemon Agent website to illustrate what an AI agent hands to its users. The companies, matters, amounts and people in it are invented. It has no legal, accounting or commercial value.

Fictional document, produced for demonstration. **What people edit after generation says exactly what the template is missing.** It is the most useful data in this document.

Item	Kept?	Why
The template and its version	**Yes**	Reproducing the contract exactly
The blocks assembled	**Yes**	—
What was filled in and from where	**Yes**	**Checking a reproduction**
The blanks left	**Yes**	Knowing what was missing
Manual edits after generation	**Yes**	**What the template is missing**
Appraisal of a clause	**No**	**Would be legal advice**
Risk analysis	**No**	**Would turn against you in court**

Item	Kept?	Why
Statistics per drafter	**No**	**Unrelated to contract quality**
Other party's data beyond the contract	**No**	**Nothing beyond what the contract contains**

Manual edits over twelve months

Block edited	Share of edits	What it indicates
Scope	**31%**	**The block is too generic**
Payment terms	**22%**	**The cases provided do not cover practice**
Service levels	**14%**	**Absent from the template**
8 other blocks	33%	Occasional

> **Sixty-seven per cent of edits fall on three blocks.** Those are the three to revisit, and that finding comes from no judgement: it comes from what drafters did with their own hands.

To be set by the company

Retention period for generated drafts: _____ months

Retention period for manual edits: _____ months

> **Request a demo with your own documents**
> This document is a fictitious example. To see the agent work on your own documents, request a demo from its page.

Legal notice (in French): bluelemonagent.ai/mentions-legales

Scope of this document: the service operated by Blue Lemon Agent. For an agent deployed at your premises, the applicable location is that of the architecture set out in the quotation and verified before commissioning; local execution is announced only for the configuration explicitly described and accepted in the quotation; the applicable isolation depends on the deployment mode set out in the quotation, no dedicated isolation being presumed; the encryption mechanisms in transit and at rest, their components and key management are those documented for the architecture chosen; roles and permissions are configured and accepted for the identities and systems actually connected; the events logged, their content, their retention period and who may access them are defined for the deployment chosen.
