Fictional document — demonstration example

This document is produced by the Blue Lemon Agent website to illustrate what an AI agent hands to its users. The companies, matters, amounts and people in it are invented. It has no legal, accounting or commercial value.

Fictional document, produced for the demonstration. **Every amount in this review recalculates from the demonstration's own contracts**: terms obtained, previous terms, penalties set out in the clauses. **None of them is a projection.**

Tracking the signature workflow	35 %	5 %	Average signature 19 d → 6 d across 41 files

The figure that does not flatter the agent, its cause and its correction

Measure	Value	Cause identified	Correction and result
Drafts reworked substantively by a lawyer	6 out of 41, i.e. 15 %	Works contracts with cascading subcontracting, a type absent from the clause library	The 6 approved wordings entered the library; across the 9 contracts of the same type assembled since, 0 substantive rework

What the agent proposes for the next half-year

Extension	Volume	What it brings	Take-on effort
Leases and insurance policies	38 contracts	14 three-yearly break dates	One week

The benchmark that holds it all together: 96 deadlines fallen due, 0 missed, each decided by a named person on a traced date. **The log exports with one click and answers a client audit or an internal review in ten minutes.**
