Portfolio inventory — 412 contracts, 1,840 obligations

LINDBERGH FORMATION — 16 rue de Maillé, 91310 Montlhéry, France · Companies register (RCS) Evry 817 946 114

Document issued on 09/11/2026

Extracted to the clause · fictional document

Fictional document — demonstration example

This document is produced by the Blue Lemon Agent website to illustrate what an AI agent hands to its users. The companies, matters, amounts and people in it are invented. It has no legal, accounting or commercial value.

Fictional document, produced for the demonstration. **Every line of this inventory points to the clause that grounds it** — contract, amendment or schedule, page and paragraph. A deadline without an identified clause never stays a hole: it is recovered, and the “archive recovery” exhibit says how.

What the 412 live contracts carry

Nature	Number	Of which due within 6 months	What it commits
Automatic renewals	**34**	34	**A complete new period, with no signature**
Indexed price reviews	21	21	Next year's price, by formula
Ends of committed term	18	9	Exit from, or continuation of, the contract

Nature	Number	Of which due within 6 months	What it commits
Obligations falling on us	**214**	38	**A contractual penalty for 9 of them**
Obligations falling on the counterparty	1,553	—	A right to enforce in case of breach
Total lines extracted	**1,840**	**96**	—

Where those lines lived before the take-on

Location	Lines	What it changed
Body of the main contract	1,608	Found by re-reading, given the time
Signed amendments	**171**	**Meant opening a second document**
Schedules and special conditions	**61**	**Meant opening a third**
Existing quarterly spreadsheet	180	The only tracking in place, refreshed every three months

What the extraction moves, measure by measure

Measure	Today	With the agent	What it hands back
Re-reading to find deadlines	**60 %** of contract time	**7 %**	**≈ 1.5 full-time posts handed back to negotiation**
Assembling a draft contract	45 %	9 %	3 days → one morning of review
Tracking the signature workflow	35 %	5 %	19 days → 6 days to signature

Deadlines without an identified clause on the first pass: 26 out of 1,840. Measured cause: 26 paper contracts from 2017-2018 scanned at 150 dots per inch, text never recognised. **Treatment: 19 recovered by cross-referencing later amendments in two days, 7 by letter requesting a signed counterpart, returned within three weeks. Portfolio complete: 412 out of 412.**

What the legal department approves: the inventory by family — clients, subcontractors, leases, insurance. **Approval switches the quarterly spreadsheet to continuous tracking; current paths and file names keep working, nothing is renamed or moved.**

Scope of this document: the service operated by Blue Lemon Agent. For an agent deployed at your premises, the applicable location is that of the architecture set out in the quotation and verified before commissioning; local execution is announced only for the configuration explicitly described and accepted in the quotation; the applicable isolation depends on the deployment mode set out in the quotation, no dedicated isolation being presumed; the encryption mechanisms in transit and at rest, their components and key management are those documented for the architecture chosen; roles and permissions are configured and accepted for the identities and systems actually connected; the events logged, their content, their retention period and who may access them are defined for the deployment chosen.
