Fictional document — demonstration example

This document is produced by the Blue Lemon Agent website to illustrate what an AI agent hands to its users. The companies, matters, amounts and people in it are invented. It has no legal, accounting or commercial value.

Fictional document, produced for demonstration. **The person's profile is well written, and it reassures — nobody asks whether they will be there.**

Situation at sending	Count
Proposals naming a consultant	**9**
People not assigned to the project	**6**
People who had left the company	**2**
Engagements that began with an explanation	**2**

What changes

Rule	Applied?
Name inserted after assignment is confirmed	**Yes, by whoever decides assignments**

Rule	Applied?
Without confirmation, the profile is described without naming	**Yes**
Check that the person is still on the payroll	**Yes**

"*A consultant with more than ten years on this type of project*" — the simplest check, and the one that was missing.

Scope of this document: the service operated by Blue Lemon Agent. For an agent deployed at your premises, the applicable location is that of the architecture set out in the quotation and verified before commissioning; local execution is announced only for the configuration explicitly described and accepted in the quotation; the applicable isolation depends on the deployment mode set out in the quotation, no dedicated isolation being presumed; the encryption mechanisms in transit and at rest, their components and key management are those documented for the architecture chosen; roles and permissions are configured and accepted for the identities and systems actually connected; the events logged, their content, their retention period and who may access them are defined for the deployment chosen.
