Fictional document — demonstration example

This document is produced by the Blue Lemon Agent website to illustrate what an AI agent hands to its users. The companies, matters, amounts and people in it are invented. It has no legal, accounting or commercial value.

Fictional document, produced for demonstration. **The exhibit schedule is the numbered list of documents served on the other side.** This one was rebuilt from the successive schedules served since 2020 and from the actual content of the document store.

What was corrected

of which cited under both numbers in your pleadings	3	Pleadings of 2022 and 2023	**Cross-references tracked, mapping table supplied**
Cross-references no longer matching	**6**	Renumbering carried out in 2023	**Repaired**

Anomaly	Number	Origin	Treatment
Non-identifying titles	**9**	*« letter »*, *« annex 3 »*	**Title carrying date, sender and subject**

What the rebuilt schedule makes visible

Finding	Number	What is ready
Exhibits held and served nowhere	**23**	**A one-page quantified sheet for each**
Exhibits cited by the other side and absent from the schedules	**6**	**Request for disclosure drafted**
Exhibits served and consistent	112	No action

The schedule regenerates on every service, with continuous numbering, identifying titles and a clickable index. The check, which took six hours per pleading, now takes a ten-minute read.
