Fictional document — demonstration example

This document is produced by the Blue Lemon Agent website to illustrate what an AI agent hands to its users. The companies, matters, amounts and people in it are invented. It has no legal, accounting or commercial value.

Fictional document, produced for demonstration. **A service mandate is a written, itemised, dated authorisation, withdrawable in one word**: it lists the exhibits to be sent and the redactions approved, and nothing adds itself to it.
