Action	Done?
Flag to the author what changed	Yes
Mark the 21 answers as given on an earlier version	Yes
Contact the 21 people	Impossible — their identity does not exist
Publish a note visible to all	Yes

The note reaches the 21 without anybody needing to know who they are. That is the price of the missing link, and it is accepted.

Scope of this document: the service operated by Blue Lemon Agent. For an agent deployed at your premises, the applicable location is that of the architecture set out in the quotation and verified before commissioning; local execution is announced only for the configuration explicitly described and accepted in the quotation; the applicable isolation depends on the deployment mode set out in the quotation, no dedicated isolation being presumed; the encryption mechanisms in transit and at rest, their components and key management are those documented for the architecture chosen; roles and permissions are configured and accepted for the identities and systems actually connected; the events logged, their content, their retention period and who may access them are defined for the deployment chosen.
