

The year — 1,051 hours returned, item by item

LINDBERGH FORMATION — 16 rue de Maillé, 91310 Montlhéry, France · Companies register (RCS) Evry 817 946 114

Document issued on 24/09/2026

Review presented at the management meeting, single working-time basis, rounded down · fictional document

Fictional document — demonstration example

This document is produced by the Blue Lemon Agent website to illustrate what an AI agent hands to its users. The companies, matters, amounts and people in it are invented. It has no legal, accounting or commercial value.

Fictional document, produced for the demonstration. **Single working-time basis: 35 h a week, 151.67 h a month, 1,607 h a year. Every rounding is downward and stated as such. The total counts NO watch hours, for want of a measurement the unit could check for itself.**

The three items — the calculation rule in front of each figure

Item	Volume	Unit gain	Calculation	Hours returned
Regulatory letters	2,180	6 min	12 min – (7 min 12 returned – 1 min 12 of rereading) → 6 min × 2,180 = 13,080 min	218 h
Information replies	6,580	2 min 42	3 min 36 – 54 s = 2 min 42 × 6,580 = 17,766 min	296 h

Item	Volume	Unit gain	Calculation	Hours returned
Document filing	3,100 items	—	672 h by hand – 134 h of checking	537 h
Total	—	—	218 + 296 + 537	1,051 h
<i>Regulatory watch</i>	<i>214 texts</i>	—	<i>Time to reach templates 9 days → under 24 h</i>	Not counted

The conversions, on a single basis

Unit	Basis	Result	What is stated
Week	35 h	$1,051 \div 35 = 30.0$	« more than thirty weeks », rounded down
Month	151.67 h	$1,051 \div 151.67 = 6.93$	« more than six months », rounded down
Working year	1,607 h	$1,051 \div 1,607 = 0.65$	Not stated — less than one year

Where the hours went — the only figure that counts

Service indicator	Before	After
Time to answer an information email	12 days	1 day
Unanswered calls	1,372 out of 5,600 — 24.5 %	214 out of 5,600 — 3.8 %
Interventions carried out by the nine inspectors	Last year's baseline	+ 61
Incomplete reports receiving a qualified acknowledgement within the minute	0	562 out of 604
Return enquiries on the same topic	2.4 times	1.3 times

The 61 additional interventions were chosen by the inspectors, and by nobody else. No targeting list, no ranking of establishments, no risk score was produced or will be — the reason is mechanical and it is written out in the « scope and traceability » attachment.

The three figures the agent published against itself

Gap	Measurement	Fix	After the fix
Texts missed by the watch	9 out of 214 — 4.2 %	Register of administrative acts connected on 12/04, 24 months caught up	31 orders recovered, 4 templates marked for review
Draft letters rewritten before signature	134 out of 1,118 — 12.0 %	Since 03/06, both article versions side by side and the switchover date	9 rewrites out of 214 — 4.2 %, none on that ground
Easy-read versions rejected	19 out of 84 — 22.6 %	Condition split into one block per situation	3 rejections out of 52 — 5.7 %

Review presented at the management meeting and settled by the head of the inspection unit, on: _____

Scope of this document: the service operated by Blue Lemon Agent. For an agent deployed at your premises, the applicable location is that of the architecture set out in the quotation and verified before commissioning; local execution is announced only for the configuration explicitly described and accepted in the quotation; the applicable isolation depends on the deployment mode set out in the quotation, no dedicated isolation being presumed; the encryption mechanisms in transit and at rest, their components and key management are those documented for the architecture chosen; roles and permissions are configured and accepted for the identities and systems actually connected; the events logged, their content, their retention period and who may access them are defined for the deployment chosen.
