Fictional document — demonstration example

This document is produced by the Blue Lemon Agent website to illustrate what an AI agent hands to its users. The companies, matters, amounts and people in it are invented. It has no legal, accounting or commercial value.

Fictional document, produced for demonstration. **The first two flags get worse every day**, for opposite reasons: one accumulates a risk, the other delays an inflow.

#	Flag	Site	Since / due	At stake	Recipient
1	Subcontractor on site, not accepted	Verne	**12 days**	**No direct payment, risk of paying twice**	Site manager + director
2	Application no. 7 not submitted	Aubel	**6 days**	**€84,200 out of the cycle**	Site manager + accounts
3	3 snags not cleared	Mareuil	**21 days**	€38,200 retention	Manager of that site
4	Compliance certificate expired	2 sites	**Passed**	Joint liability	Office manager

Flag 1 — the chronology

Date	Event	Document
24/07/2026	Subcontract declaration sent	Recorded delivery
25/07/2026	Client's acknowledgement	Signed acknowledgement
27/07/2026	**Subcontractor's first crews on site**	**Site records**
07/08/2026	**No acceptance received**	—

> **Declared is not accepted.** Until acceptance is secured, the subcontractor has no right to direct payment and the main contractor remains solely liable to them. The distinction does not show on a programme: it shows in a document coming back.

Proposed chases

Flag	Without action	Then
1 and 2	Reminder at 24 h	Director at 48 h
3 and 4	Reminder at 72 h	Director at 7 days
All	—	Weekly summary, by site

The summary is sorted by site and not by manager. Where each person runs two or three jobs, a list by name reads as an appraisal and stops being opened.
