Request for disclosure of an exhibit

LINDBERGH FORMATION — 16 rue de Maillé, 91310 Montlhéry, France · Companies register (RCS) Evry 817 946 114

Document issued on 09/11/2026

Draft — Sorène / Halvex, other side's exhibit 14

> **Fictional document — demonstration example**
> This document is produced by the Blue Lemon Agent website to illustrate what an AI agent hands to its users. The companies, matters, amounts and people in it are invented. It has no legal, accounting or commercial value.

Dear Colleague,

In the proceedings between Sorène and Halvex, at paragraph 27 of your submissions served on 3 February you rely on an exhibit numbered 14.

That exhibit does not appear on the schedule you have served. I should be grateful if you would disclose it.

Period allowed: **[to complete]**

Hearing date to be restated: **[to complete]**

Yours sincerely,

> **Two entries have been left blank.** The period allowed and the hearing date bind the proceedings: they are the solicitor's to set, and have not been inferred from the file.

---

Scope of this document: the service operated by Blue Lemon Agent. For an agent deployed at your premises, the applicable location is that of the architecture set out in the quotation and verified before commissioning; local execution is announced only for the configuration explicitly described and accepted in the quotation; the applicable isolation depends on the deployment mode set out in the quotation, no dedicated isolation being presumed; the encryption mechanisms in transit and at rest, their components and key management are those documented for the architecture chosen; roles and permissions are configured and accepted for the identities and systems actually connected; the events logged, their content, their retention period and who may access them are defined for the deployment chosen.
