Fictional document — demonstration example

This document is produced by the Blue Lemon Agent website to illustrate what an AI agent hands to its users. The companies, matters, amounts and people in it are invented. It has no legal, accounting or commercial value.

Fictional document, produced for demonstration. **No item is placed on the agenda.** The agenda is set by the mayor; the agent flags the date to the chief executive who prepares it.

Resolution	Nature of the date	Date	Further resolution?
2023-078	**Three-year agreement**	**November 2026**	**No**
2025-014	**18-month pilot**	**December 2026**	**No**

2023-046	Pilot tariff	June 2028	No
2025-102	Term of a public-domain occupation	October 2028	No

Two dates fall this year. A three-year agreement reaching its term without a further resolution is not extended: it stops, and the service it carries stops with it.
