Fictional document

> **Fictional document — demonstration example**
> This document is produced by the Blue Lemon Agent website to illustrate what an AI agent hands to its users. The companies, matters, amounts and people in it are invented. It has no legal, accounting or commercial value.

> **Fictional document**, produced for demonstration. **No single change is big enough to be refused, and the sum is.**

Item	Kept?	What it allows
Page weight over time	**Yes**	**Seeing the drift**

What the agent publishes against itself

Finding	Value
Images produced by the agent with no alt text, before the rule	**41**

> **It is the most ordinary defect of any generated code, and it is invisible unless somebody counts it.**

The two steps that go through you

Step	What your review guarantees
Merging code	**Human review remains the rule: what enters your repository has been read by somebody of yours**
Deploying	**A live page is read by your visitors: it only goes live once you agree**
