

Evidence gathered — 12 months

LINDBERGH FORMATION — 16 rue de Maillé, 91310 Montlhéry, France · Companies register (RCS) Evry 817 946 114

Document issued on 24/09/2026

5 complete blocks · 3 gaps · fictional document

Fictional document — demonstration example

This document is produced by the Blue Lemon Agent website to illustrate what an AI agent hands to its users. The companies, matters, amounts and people in it are invented. It has no legal, accounting or commercial value.

Fictional document, produced for demonstration. **This document does not say whether the provider complies.** It gathers evidence; whether it suffices is judged with the quality lead, against the version of the framework in force on the day of the audit.

Why no indicator is reproduced here

Quality frameworks change, and their indicators get renumbered. A provider preparing from a list copied out of a demonstration document would prepare against a stale version — the opposite of the service intended. Evidence is therefore sorted by what it establishes, not by a number.

What is complete

Block	What it establishes	Volume	Period
Detailed programmes	The content announced	18 sessions	12 months
Attendance sheets	Delivery	18 sessions	12 months

LINDBERGH FORMATION — a simplified joint-stock company with share capital of €250,000 · Registered office: 16 rue de Maillé, 91310 Montlhéry, France · Companies register (RCS) Evry 817 946 114 · SIRET 817 946 114 00029 · VAT FR 60 817 946 114 · "Blue Lemon Agent" trade mark · Training-provider registration no. 119 108 635 91 (Île-de-France prefect — this registration does not amount to State approval) · Qualiopi certified, no. 03896, for the "training actions" category · contact@bluelemonagent.ai · dpo@bluelemonagent.ai · Hosted in France.

Block	What it establishes	Volume	Period
Signed agreements	The parties' agreement	18 sessions	12 months
Trainer CVs and competence certificates	The skills deployed	7 trainers	current for 6
Review minutes	Governance	2 reviews	2 of 2

The three gaps, and what each needs

Gap	Extent	What closes it	Time
Satisfaction surveys	Response rate at 31%	Fix the sending, then chase	2 to 3 weeks
June certificates	14 learners	11 generated this morning, 3 pending	Immediate for 11
Trainer contract	3 sessions	Signature	A few days

The first gap does not close by chasing. A 31% response rate obtained by insisting is still a 31% response rate; it is the cause that must be dealt with, and it is technical.

What remains to be judged, and by whom

Sufficiency of the evidence gathered: ☐ judged on/...../..... by
framework version used:

Scope of this document: the service operated by Blue Lemon Agent. For an agent deployed at your premises, the applicable location is that of the architecture set out in the quotation and verified before commissioning; local execution is announced only for the configuration explicitly described and accepted in the quotation; the applicable isolation depends on the deployment mode set out in the quotation, no dedicated isolation being presumed; the encryption mechanisms in transit and at rest, their components and key management are those documented for the architecture chosen; roles and permissions are configured and accepted for the identities and systems actually connected; the events logged, their content, their retention period and who may access them are defined for the deployment chosen.
