Fictional document — demonstration example

This document is produced by the Blue Lemon Agent website to illustrate what an AI agent hands to its users. The companies, matters, amounts and people in it are invented. It has no legal, accounting or commercial value.

Fictional document, produced for demonstration. **No older version is withdrawn.** Withdrawing it would erase the trace of what was agreed with the learners who received it, without changing the contract.

Programme	Version delivered	Version still reachable	Where	Same duration?
Advanced office software	v4	v3	**Website + agreements**	Yes
Team management	v3	v2	**Website**	Yes
Public speaking	v2	v1	**Website**	**No — 14 h against 21 h**
Project management	v5	v4	**Website**	Yes
Business English	v3	v2	Agreements	Yes

Programme	Version delivered	Version still reachable	Where	Same duration?
Accounting for non-accountants	v2	v1	Agreements	**No — 21 h against 28 h**
Conducting interviews	v3	v2	Agreements	Yes
Professional social media	v2	v1	Agreements	Yes
Cybersecurity basics	v2	v1	Agreements	Yes

> **Two programmes have different durations between versions.** That is the most exposed case: a duration appears in the funding application, and a mismatch between the programme sent and the session delivered shows up at a funder's first check.

Where the older version is still reachable

Legal notice (in French): bluelemonagent.ai/mentions-legales

Trigger	Action	Chase	What stays untouched
Agreement sent	The version attached is the one in force **on the day it is sent**	—	**No sent agreement is amended**

The second row would have prevented the live complaint. The programme attached to the agreement of 14/05 was v3 because it was the last one filed in a folder, not because it was in force.
