Complete file handed over for decision · fictional document

> **Fictional document — demonstration example**
> This document is produced by the Blue Lemon Agent website to illustrate what an AI agent hands to its users. The companies, matters, amounts and people in it are invented. It has no legal, accounting or commercial value.

> **Fictional document**, produced for the demonstration. *Time to pay spreads a contributions debt over several months; it assumes returns are up to date and a commitment from the contributor on future instalments.* **The decision to grant belongs to the public officer; the complete file is handed to them in minutes.**

What the file handed over carries

Element	Content	What it saved looking for
State of the returns	Up to date or not, which are missing	**Regularisation letter already drafted**
Three years of payment history	**Incidents, earlier plans, kept or broken**	**Half the review time, screen by screen**
Declared income	Basis for the three monthly amounts	The manual cross-check with the returns

Element	Content	What it saved looking for
Draft letters	**Granting and refusing, both written and reasoned**	**The drafting, whichever way the decision goes**

The three assumptions, costed

Duration	What it gives	What your records say
3 months	The heaviest monthly amount	**Debt cleared before the next annual adjustment**
6 months	The assumption closest to what the service usually grants	**9 % breakage**
12 months	The lightest monthly amount	**31 % breakage — the plan straddles two financial years**

None of the three is an opinion: they are three calculations made on the contributor's returns and on the body's 312 live plans. **A fourth duration is costed in front of the caseworker, in ten seconds.**

Time and delay

Measure	Before	With the agent
Pre-assessment with an instalment plan	**100 % of the file's time — 40 minutes**	**20 % — 8 minutes**
First reply to the contributor	**21 days, and 41 % beyond**	**3 days, 100 % within 5 days**
Time given back across 4,800 requests	—	**2,560 hours**

Following the plans granted

Fact	Volume	What is proposed

Live plans	312	Followed instalment by instalment
Breakages last year	**47**	**41 would have been caught by a call the day after the missed instalment**

A signed decision is reasoned, dated and challengeable — and the contributor who challenges it comes to the committee with a complete file, which is the best guarantee that he will be heard.
