Mandate — requests for documents from the courts

LINDBERGH FORMATION — 16 rue de Maillé, 91310 Montlhéry, France · Companies register (RCS) Evry 817 946 114

Document issued on 09/11/2026

To be signed by the head of registry · fictional document

Fictional document — demonstration example

This document is produced by the Blue Lemon Agent website to illustrate what an AI agent hands to its users. The companies, matters, amounts and people in it are invented. It has no legal, accounting or commercial value.

Fictional document, produced for the demonstration. **A letter addressed to a court commits the establishment.** The agent drafts and references; **it sends nothing without a written mandate, and everything is copied to the head of registry.**

What the count found

Measure	Value	Note
Documents referred to and never received	**23**	Across all open files
Of which on files with a deadline within 60 days	**6**	**Priority**
Concentration	**12 of the 23 at a single court**	**Not general slowness — one channel**

Measure	Value	Note
Oldest request still unanswered	**71 days**	Chaser to be decided by the head of registry

The proposed mandate

Heading	Content
Scope	**Requests for the missing documents strictly listed in the annex. Nothing else.**
Express exclusions	**No request for information, no question on the substance, no chasing of a decision**
Cap	**15 requests a week**
Template	**Single, approved by the head of registry: file reference, document requested, document referring to it, date of request**
Tone	**Factual, nothing more**
Visibility	**Systematically copied to the head of registry, the same day**
Duration	**Until 31/03/2027, renewed by a fresh written act**
Withdrawal	**One word from the head of registry and it all stops, with no reason given**

What stays outside the mandate — in all circumstances

Act	Reason
Serving a notification	**It is a formal act; it has an author who is not a piece of software**
Addressing a court on the substance of a situation	**Procedural act**
Chasing a decision	**Procedural act**

Act	Reason
Requesting a document	**Documentary operation — the subject of this mandate**

> **These requests amounted to 3 hours a week nobody had** — so they were only made in emergencies. **This is not time saved: it is groundwork that will finally exist.**

Signature

Head of registry, date and signature: _____

Date of the first weekly statement: _____

> **Request a demo with your own documents**
> This document is a fictitious example. To see the agent work on your own documents, request a demo from its page.

Scope of this document: the service operated by Blue Lemon Agent. For an agent deployed at your premises, the applicable location is that of the architecture set out in the quotation and verified before commissioning; local execution is announced only for the configuration explicitly described and accepted in the quotation; the applicable isolation depends on the deployment mode set out in the quotation, no dedicated isolation being presumed; the encryption mechanisms in transit and at rest, their components and key management are those documented for the architecture chosen; roles and permissions are configured and accepted for the identities and systems actually connected; the events logged, their content, their retention period and who may access them are defined for the deployment chosen.
