Allergen sheets — 3 dishes to check

LINDBERGH FORMATION — 16 rue de Maillé, 91310 Montlhéry, France · Companies register (RCS) Evry 817 946 114

Document issued on 09/11/2026

Supplier change of 12/06 · fictional document

Fictional document — demonstration example

This document is produced by the Blue Lemon Agent website to illustrate what an AI agent hands to its users. The companies, matters, amounts and people in it are invented. It has no legal, accounting or commercial value.

Fictional document, produced for demonstration. **None of these sheets concludes.** Each carries the supplier comparison and leaves the declaration line blank: an allergen sheet is a declaration by the establishment, checked in the kitchen and signed.

What changed, at the supplier

Product	Supplier to 11/06	Supplier since 12/06	Difference
Cream sauce base 5 L	Sheet of 02/2024 — no nut allergen declared	Sheet of 04/2026 — **"may contain traces of nuts"**	**Yes**
Chicken stock 3 L	Celery, gluten	Celery, gluten	No
Cream 35% 2 L	Milk	Milk	No

The three dishes concerned

Dish	Sheet dated	Uses the sauce base?	Served	Line to settle
Mushroom risotto	04/03/2026	Yes, per the recipe sheet	**Every day**	**To complete**
Chicken supreme	04/03/2026	Yes, per the recipe sheet	**Every day**	**To complete**
Dish of the day gratin	19/01/2026	Yes, per the recipe sheet	Twice a week	**To complete**

Mushroom risotto — nuts: ☐ absent · ☐ possible traces · ☐ present · **checked by:** ..... · **on:** ...../...../.....

Chicken supreme — nuts: ☐ absent · ☐ possible traces · ☐ present · **checked by:** ..... · **on:** ...../...../.....

Dish of the day gratin — nuts: ☐ absent · ☐ possible traces · ☐ present · **checked by:** ..... · **on:** ...../...../.....

Three questions the supplier sheet does not settle and only the kitchen can: do these dishes still use that base; in what quantity; and is there contact with other preparations at plating. A declaration copied from a supplier ignores all three.
