Dishes with certain sheets

LINDBERGH FORMATION — 16 rue de Maillé, 91310 Montlhéry, France · Companies register (RCS) Evry 817 946 114

Document issued on 09/11/2026

Today's menu · fictional document

Fictional document — demonstration example

This document is produced by the Blue Lemon Agent website to illustrate what an AI agent hands to its users. The companies, matters, amounts and people in it are invented. It has no legal, accounting or commercial value.

Fictional document, produced for demonstration. **This list does not replace an answer from the kitchen.** It exists so front of house has an alternative within the second, while the question goes to the chef.

Today's menu — state of the sheets

Dish	Sheet dated	After 12/06?	Nuts declared
Seasonal salad	28/06/2026	**Yes**	No
Fish fillet, vegetables	02/07/2026	**Yes**	No
Ribeye, new potatoes	28/06/2026	**Yes**	No
Mushroom risotto	04/03/2026	**No**	**Sheet to recheck**
Chicken supreme	04/03/2026	**No**	**Sheet to recheck**
Dish of the day gratin	19/01/2026	**No**	**Sheet to recheck**
Tart of the day	11/07/2026	**Yes**	**Yes — hazelnuts**

The tart of the day has a current sheet AND contains nuts. It appears in the list for that reason: a list showing only allergen-free dishes would suggest the rest is uncertain, whereas here the information is certain and negative.

Allergen enquiries record

Date	Time	Dish	Answered by	Sheet current?
07/08/2026	12:47	Risotto	**Pending — passed to the chef**	**No**
05/08/2026	20:12	Tart of the day	Front of house	Yes
03/08/2026	13:04	Fish fillet	Front of house	Yes
02/08/2026	12:31	Chicken supreme	**Front of house**	**No**

The last row is what justifies the whole arrangement. On 2 August an answer was given front of house on a dish whose sheet was not current. Nobody knew, and nothing happened — which does not make it good practice.

Request a demo with your own documents

This document is a fictitious example. To see the agent work on your own documents, request a demo from its page.

Scope of this document: the service operated by Blue Lemon Agent. For an agent deployed at your premises, the applicable location is that of the architecture set out in the quotation and verified before commissioning; local execution is announced only for the configuration explicitly described and accepted in the quotation; the applicable isolation depends on the deployment mode set out in the quotation, no dedicated isolation being presumed; the encryption mechanisms in transit and at rest, their components and key management are those documented for the architecture chosen; roles and permissions are configured and accepted for the identities and systems actually connected; the events logged, their content, their retention period and who may access them are defined for the deployment chosen.
