Missing lines — 6 months

LINDBERGH FORMATION — 16 rue de Maillé, 91310 Montlhéry, France · Companies register (RCS) Evry 817 946 114

Document issued on 09/11/2026

34 lines across 1,240 sheets · fictional document

Fictional document — demonstration example

This document is produced by the Blue Lemon Agent website to illustrate what an AI agent hands to its users. The companies, matters, amounts and people in it are invented. It has no legal, accounting or commercial value.

Fictional document, produced for demonstration. **31 of the 34 lines existed elsewhere.** So the subject is not the quality of inspection: it is carrying a value from one system to another.

Month	Sheets	Missing lines	Recoverable from their source	Genuinely missing
February	198	6	6	0
March	214	5	5	0
April	201	7	**6**	**1**
May	187	4	4	0
June	223	8	**7**	**1**
July	217	4	**3**	**1**
Total	**1,240**	**34**	**31**	**3**

Only three lines matched a measurement that had never been taken. All three were found at despatch — the worst possible moment, when the only option left is holding a lorry.

What matching at closure would change

When the check happens	Lines recovered automatically	Lines flagged in time	Average time before despatch
At despatch (today)	0	0	**a few hours**
At order closure (proposed)	**31**	**3**	**2 days**

What the matching never does

Action	Performed?
Fill a line from its timestamped source	**Yes**
Flag a line with no source to the inspector	**Yes**
Estimate a value from an average	**No**
Sign a sheet	**No**
Release a batch	**No**

Request a demo with your own documents

This document is a fictitious example. To see the agent work on your own documents, request a demo from its page.
