

Release 2.14 — prepared

LINDBERGH FORMATION — 16 rue de Maillé, 91310 Montlhéry, France · Companies register (RCS) Evry 817 946 114

Document issued on 24/09/2026

6 PRs · fictional document

Fictional document — demonstration example

This document is produced by the Blue Lemon Agent website to illustrate what an AI agent hands to its users. The companies, matters, amounts and people in it are invented. It has no legal, accounting or commercial value.

Fictional document, produced for demonstration. **Nothing is merged, nothing is deployed.** The file is ready; the button stays with the team.

The six pull requests

PR	Subject	Approved	Up to date	Tests	Migration	Reversible
#511	Filters on the customer list	Yes	Yes	Green	No	—
#514	CSV export fix	Yes	Yes	Green	No	—
#516	Breadcrumb rework	Yes	Yes	Green	No	—
#517	Access logging	Yes	Yes	Green	No	—
#518	40 labels translated	Yes	Yes	Green	No	—

PR	Subject	Approved	Up to date	Tests	Migration	Reversible
#519	Invoice model cleanup	Yes	Yes	Green	Yes	No — dropped column

PR #519 is correct and approved. The point is not its quality: it is that a dropped column does not replay backwards. Deployed with the other five, it deprives the whole release of a simple rollback.

The proposed split

Batch	PRs	Rollback	Estimated duration
1	511, 514, 516, 517, 518	Simple	≈ 6 min
2	519 alone	Restore from backup	≈ 3 min

Six more minutes in total, and a simple rollback on five PRs instead of none. That is the kind of call that no longer arises once the deployment has started.

What else is ready

Item	State
Release note	Written from the 6 PRs
New environment variables	2, listed with expected values
Post-deployment checks	7 points, in order
PRs merged	Not done
Deployment	Not triggered

Scope of this document: the service operated by Blue Lemon Agent. For an agent deployed at your premises, the applicable location is that of the architecture set out in the quotation and verified before commissioning; local execution is announced only for the configuration explicitly described and accepted in the quotation; the applicable location depends on the deployment mode set out in the quotation, not dedicated to the agent presented, the Maillé, 91310 Montlhéry, France · Companies register (RCS) Evry 817 946 114 · SIRET 817 946 114 00029 · VAT FR 60 817 946 114 · "Blue Lemon Agent" trade mark · Training-provider registration no. 119 108 635 91 (Île-de-France prefect — this registration does not amount to State approval) · Qualiopi certified, no. 03896, for the "training actions" category · contact@bluelemonagent.ai · dpo@bluelemonagent.ai · Hosted in France.

encryption mechanisms in transit and at rest, their components and key management are those documented for the architecture chosen; roles and permissions are configured and accepted for the identities and systems actually connected; the events logged, their content, their retention period and who may access them are defined for the deployment chosen.
