Fictional document — demonstration example

This document is produced by the Blue Lemon Agent website to illustrate what an AI agent hands to its users. The companies, matters, amounts and people in it are invented. It has no legal, accounting or commercial value.

Fictional document, produced for the demonstration. **980 officer hours given back to the service, at unchanged headcount: no post cut, no post created.** That is the argument that defends best in front of elected members, because it can be checked in the service's own files.

The calculation, item by item

Recurring questions	2,900 a year	**8 % → 6 % — 4 min → 3 min**	**48 h**

Item	Annual volume	Before → after	Hours given back
Total	—	—	**980 h — twenty-six weeks of one full-time officer**
