Filing information mandate — documents on the schedule

LINDBERGH FORMATION — 16 rue de Maillé, 91310 Montlhéry, France · Companies register (RCS) Evry 817 946 114

Document issued on 09/11/2026

Written, capped, withdrawable with one word · fictional document

> **Fictional document — demonstration example**
> This document is produced by the Blue Lemon Agent website to illustrate what an AI agent hands to its users. The companies, matters, amounts and people in it are invented. It has no legal, accounting or commercial value.

> **Fictional document**, produced for the demonstration. **This is not a blank cheque:** the mandate covers a record of documents, never a substantive judgement, and the formal request stays signed by the competent authority.

What the mandate covers, and what it does not

Object	Regime	Who decides
Informing the applicant about the documents on the schedule	**Sent directly on filing**	Regime signed by the head of service
Substantive judgement — compliance, height, ground coverage, easements	**Outside the mandate, always**	**Goes into the preliminary assessment note to the officer, never to the applicant**

Object	Regime	Who decides
Formal request for further documents	**Drafted, documents listed, period calculated, within 15 minutes of filing**	**Signed by the competent authority, because it produces its effect on the deadline**
Question outside the service's remit	Referral with the counter's name, address and lead time	—

A document is there or it is not: that is a record, not a judgement. That is what makes this mandate workable, and that is what draws its limit.

What the mandate brings, measured over the quarter

Measure	Before	Under the mandate
Files complete on filing	**54 %**	**96 %**
Round trips with applicants	—	**131 fewer**
Requests for documents sent after the first month	**27**	**0**
When the applicant knows	3 weeks after filing	**On filing day**

The safeguards, written into the mandate itself

Clause	Content
Traceability	**Every message carries the statement that it comes from a digital assistant of the service and the name of the officer assigned to the file**
Daily summary	**One page each morning: what went out the day before — inaccurate information is caught in an hour, not in three weeks**

Clause	Content
Duration	**Review at three months, records in hand. Without an explicit decision the mandate stops — it is renewal that requires a signature, not termination**
Withdrawal	**One word, effective within the minute**: lists go back to drafts awaiting approval, nothing else changes
Information of the municipalities	Notice to the 31 town halls, published with the signed regime

> **The European regulation on artificial intelligence requires that anyone interacting with an AI system be told so**, and that statement is not a configuration option. **An applicant who asks reaches a member of the service at any moment.**
