Fictional document — demonstration example

This document is produced by the Blue Lemon Agent website to illustrate what an AI agent hands to its users. The companies, matters, amounts and people in it are invented. It has no legal, accounting or commercial value.

Fictional document, produced for demonstration. **None of these four flags carries a legal characterisation.** Each quotes a company document, with its date, and stops there.

#	Flag	What triggered it	What is quoted	Recipient	Chase
1	**Renewal in 19 days**	**Window closed 73 days ago**	**Art. 11.2 of the contract**	**Owner + management**	**48 h**
2	7 contracts with no cap	12 recent contracts carry one	The 7 contracts	Lawyer or adviser, grouped	Quarterly
3	**€84,000 order with no contract**	Standard terms accepted by click	**Purchase order + timestamped terms**	**Purchasing, immediately**	**48 h**

#	Flag	What triggered it	What is quoted	Recipient	Chase
4	Technical annex missing	The contract refers to it	The reference	Contract owner	7 d

> **Termination windows are flagged four months ahead, not three.** At three months there is no decision margin left: there is only the day the letter must go.

Four judgements kept by your lawyer — the renewal 19 days out, meanwhile, is on their desk this morning

The judgement, kept by the lawyer	Why it is theirs
Quote a rule of law from memory	**A statute changes and applies subject to conditions**
Say whether a clause is valid	**That is advice, a regulated activity**
Assess a contractual risk	**A machine's appraisal turns against you in court**
Sort clauses into good and bad	**It depends on what the contract protects**

> **Request a demo with your own documents**
> This document is a fictitious example. To see the agent work on your own documents, request a demo from its page.
