Document issued on 09/11/2026

62 templates reread across 9 years of records · 9 to realign · fictional document

**Fictional document — demonstration example**

This document is produced by the Blue Lemon Agent website to illustrate what an AI agent hands to its users. The companies, matters, amounts and people in it are invented. It has no legal, accounting or commercial value.

**Fictional document**, produced for the demonstration. **Every template is matched against the signing delegation decree in force today, not against the one printed on the template.**

## The 9 templates citing a replaced delegation

| Template | Uses per year | Delegation cited on the template | Delegation in force |
|---|---|---|---|
| **Temporary collection decree** | **61** | Repealed delegation decree | **Waste vice-presidency, decree in force** |
| **Reply letter — waste department** | **214** | Vice-president no longer holding the competence | **Waste vice-presidency, decree in force** |
| Special waste charge agreement | 318 | Delegation predating the renewal | **Deputy chief executive, decree in force** |

| Template | Uses per year | Delegation cited on the template | Delegation in force |
|---|---|---|---|
| Notification letter to a successful firm | 22 | Delegation predating the renewal | **Legal affairs director** |
| The 5 other templates concerned | 94 | Earlier delegations | **Realigned the same night** |

> **What the overhaul would have changed over the past year: the 214 waste department letters would have gone out under the signature of the vice-president actually competent**, and **the 61 collection decrees would have cited the delegation in force on their date.**
