Fictional document — demonstration example

This document is produced by the Blue Lemon Agent website to illustrate what an AI agent hands to its users. The companies, matters, amounts and people in it are invented. It has no legal, accounting or commercial value.

Fictional document, produced for demonstration. **The entry is not amended.** A knowledge base speaks for the authority: updating it is approved, and it is dated.

The two texts, side by side

Source	Date	What it says	In force
Entry "weekly market"	11/03/2025	Wednesday, 7 am - 1 pm, Market Square	—
By-law no. 2026-118	04/07/2026	Thursday, 7 am - 1 pm, Market Square, from 01/09/2026	Yes

Only the day changes. Hours and place are identical — which is why the gap went unnoticed: the entry looks right on a quick read.

This entry had no "source" field. Adding one means that next time a by-law changes published information, the affected entry is found by a query rather than by rereading.

The second box has no obviously right answer. Contacting eleven people about a market day may look disproportionate; letting them turn up on a Wednesday is too. It is a judgement, and it is put.
