Fictional document — demonstration example

This document is produced by the Blue Lemon Agent website to illustrate what an AI agent hands to its users. The companies, matters, amounts and people in it are invented. It has no legal, accounting or commercial value.

Fictional document, produced for the demonstration. **The recitals in the draft are the municipal template's**, used by the municipality for twelve years and revised with the town hall secretary. **The agent adds, marked as an addition, the recital citing the resolution authorising the fair — the one last year's decree had lost. The decree number and the date of signature are left blank: they are the only two entries that bind the municipality.**

What the draft carries, and where it comes from

Element of the decree	Content	Source
Recitals	Taken unchanged from the municipal template	Temporary roadworks decree template, revised and approved
Reasoning	Public event on municipal land	Council resolution authorising the fair, with its date
Area	Rue de l'Église, nos. 1 to 23	Last year's 14 July decree

Element of the decree	Content	Source
Times	6 a.m. to 8 p.m.	Last year's 14 July decree
Diversion	Via rue des Écoles	Identical to the three previous editions
Signage	At the organiser's expense	The last three decrees of the same kind
Decree number	Left blank	The mayor
Date of signature	Left blank	The mayor

What is flagged without being asked

Finding	Year	What is prepared
Decree not sent to the gendarmerie	Last year	Covering letter ready, decree attached
Decrees duly sent	The two previous years	— not a fault recorded, a habit that lapsed

The time it shifts, across the year's 214 decrees

Step	Before	After	Who does it
Finding the template and the previous decree	8 min	0	The agent
Drafting	27 min — 45 % of the time the act takes	9 min — 15 %	The agent prepares, the secretary reviews

Step	Before	After	Who does it
Checking and corrections	10 min	10 min	The town hall secretary — unchanged, and deliberately so
Signature	—	—	The mayor
Annual gain	—	—	64 hours

Review time has not been cut, and it must not be. What disappears is finding the template and typing; **what remains is the only work where the municipality puts its responsibility on the line.**
