Fictional document — demonstration example

This document is produced by the Blue Lemon Agent website to illustrate what an AI agent hands to its users. The companies, matters, amounts and people in it are invented. It has no legal, accounting or commercial value.

Fictional document, produced for demonstration. **An item kept with no criterion does not exist.**

Criterion	What it establishes	Verifiable?
New	**The subject does not appear in the preceding 11 months**	**Yes**
Names you	**You, a listed competitor, one of your markets**	**Yes**
Official source	**Official journal, regulator, party concerned**	**Yes**
Important to you	**—**	**No — nothing in the article says so**

Every item kept carries the criterion that kept it. When a selection is poor, you see immediately why it was made.

Over 11 months	Count
Corrections to a criterion	**4**
Fitting on one line	**4**

Scope of this document: the service operated by Blue Lemon Agent. For an agent deployed at your premises, the applicable location is that of the architecture set out in the quotation and verified before commissioning; local execution is announced only for the configuration explicitly described and accepted in the quotation; the applicable isolation depends on the deployment mode set out in the quotation, no dedicated isolation being presumed; the encryption mechanisms in transit and at rest, their components and key management are those documented for the architecture chosen; roles and permissions are configured and accepted for the identities and systems actually connected; the events logged, their content, their retention period and who may access them are defined for the deployment chosen.
