> **Fictional document — demonstration example**
> This document is produced by the Blue Lemon Agent website to illustrate what an AI agent hands to its users. The companies, matters, amounts and people in it are invented. It has no legal, accounting or commercial value.

> **Fictional document**, produced for demonstration. **Neither system was at fault.**

Step	What happens
Change in A	**Write in B**
B receives	**Treats it as a change and sends it back**
A receives	**Finds it different by a formatting detail and sends it back**

What kept the loop alive

A date written **with the time zone in one system and without it in the other**. On every round trip the value came back slightly different.
