Fictional document — demonstration example

This document is produced by the Blue Lemon Agent website to illustrate what an AI agent hands to its users. The companies, matters, amounts and people in it are invented. It has no legal, accounting or commercial value.

Fictional document, produced for demonstration. **Each system is consistent with itself: the inconsistency exists only between the two.**

Cause of the second write's failure	Effect
Missing mandatory field	**Order on the CRM side with no ERP counterpart**
Reference unknown to the second system	**Same**
System momentarily unavailable	**Same**

What changes in the order of writes

Rule	Applied?
Write first where undoing is possible	**Yes**

Rule	Applied?
Write last where it is not	**Yes**
Undo the first if the second fails	**Yes**
Write nowhere if nothing can be undone	**Yes**

Cost of the rule	Value
Operations picked up by hand this month	**23**

An operation that fails outright can be recovered; a half-done one is discovered at stocktaking.

Scope of this document: the service operated by Blue Lemon Agent. For an agent deployed at your premises, the applicable location is that of the architecture set out in the quotation and verified before commissioning; local execution is announced only for the configuration explicitly described and accepted in the quotation; the applicable isolation depends on the deployment mode set out in the quotation, no dedicated isolation being presumed; the encryption mechanisms in transit and at rest, their components and key management are those documented for the architecture chosen; roles and permissions are configured and accepted for the identities and systems actually connected; the events logged, their content, their retention period and who may access them are defined for the deployment chosen.
