Fictional document

Fictional document — demonstration example

This document is produced by the Blue Lemon Agent website to illustrate what an AI agent hands to its users. The companies, matters, amounts and people in it are invented. It has no legal, accounting or commercial value.

Fictional document, produced for demonstration. **An access opened for diagnosis stays open between diagnoses.**

Request	Wording used
Precise	"The module X log between 2 and 3 pm on the 12th"
Broad	"Your logs" — never

What arrives and what is used

Element	Handling
The requested part	Used
The rest of the sending	Not used, and the customer is told
At case closure	Deleted, deletion logged

An extract kept "in case it serves another case" is the beginning of a customer database no contract provides for.

Permanent access

Offer	Accepted?	Why
Permanent access to the customer's systems	No	It never closes by itself, nobody revokes it

Scope of this document: the service operated by Blue Lemon Agent. For an agent deployed at your premises, the applicable location is that of the architecture set out in the quotation and verified before commissioning; local execution is announced only for the configuration explicitly described and accepted in the quotation; the applicable isolation depends on the deployment mode set out in the quotation, no dedicated isolation being presumed; the encryption mechanisms in transit and at rest, their components and key management are those documented for the architecture chosen; roles and permissions are configured and accepted for the identities and systems actually connected; the events logged, their content, their retention period and who may access them are defined for the deployment chosen.
