Fictional document

Fictional document — demonstration example

This document is produced by the Blue Lemon Agent website to illustrate what an AI agent hands to its users. The companies, matters, amounts and people in it are invented. It has no legal, accounting or commercial value.

Fictional document, produced for demonstration. **The letter prepared contains no wording implying an assessment that never took place** — the six files were not assessed, and saying so is the only tenable answer.

Element	Date
Vacancy published	12/06/2026
Post filled	**21/07/2026**
Vacancy still online	**08/08/2026**
Days of pointless publication	**18**
Applications received since	**6**

A seventh may arrive today. That is what makes taking it down urgent, not the six already received — those are already written.

What the prepared letter contains

Element	Present?
The date the post was filled	**Yes**
The fact that the vacancy stayed online	**Yes**
Wording such as "after careful consideration"	**No**
Any comment on the file's quality	**No — it was not read**
Signature	**Left to the authority**

The four cases in the last twelve months

Post	Filled	Taken down	Days	Wasted applications
A	14/09/2025	22/09/2025	8	4
B	03/12/2025	19/12/2025	16	**6**
C	28/02/2026	06/03/2026	6	3
D (current)	**21/07/2026**	**—**	**18**	**6**
Total	—	—	—	**19**

Nineteen people in twelve months put together a file for a post already filled. The flag proposed — any vacancy still online 48 hours after the post is filled — would bring that figure down to one or two.
