Fictional document — demonstration example

This document is produced by the Blue Lemon Agent website to illustrate what an AI agent hands to its users. The companies, matters, amounts and people in it are invented. It has no legal, accounting or commercial value.

Fictional document, produced for demonstration. **The agent's proposals are the same; it is the corrections that differ.**

Same day	**21%**
Five days later	**47%**

At five days, the person is no longer correcting what they know: they are judging what they believe. Half-days smooth out, interruptions vanish, small tasks dissolve into large ones.
