Twenty-three employees beyond the frequency

LINDBERGH FORMATION — 16 rue de Maillé, 91310 Montlhéry, France · Companies register (RCS) Evry 817 946 114

Document issued on 09/11/2026

Fictional document

Fictional document — demonstration example

This document is produced by the Blue Lemon Agent website to illustrate what an AI agent hands to its users. The companies, matters, amounts and people in it are invented. It has no legal, accounting or commercial value.

Fictional document, produced for demonstration. **The agent applies the frequency in the procedure note of 12/01/2025 and quotes no article of law.** If the law provides otherwise, the law prevails, and that check belongs to the company.

Gap	Employees
2 to 3 years	**12**
3 to 4 years	**5**
4 to 6 years	**2**
More than 6 years	**4**
Total	**23**

The four oldest

Employee	Last appraisal	Department	Successive heads since
A	**2020**	**The same**	**3**
B	**2020**	**The same**	**3**
C	**2019**	**The same**	**3**
D	**2019**	**The same**	**3**

> **Three heads succeeded one another and none inherited the register.** That is the fact — and it is why the flag goes to HR and not to a manager.

What is supplied, and to whom

Element	Recipient
The list and the dates	**HR**
The reporting-line history	**HR**
An individual reproach	**None**

What is proposed next

Proposal	Recipient
Alert three months before the due date	**The manager in post that day**
And not whoever held it when the clock started	**—**

> **Request a demo with your own documents**
> This document is a fictitious example. To see the agent work on your own documents, request a demo from its page.

LINDBERGH FORMATION — Blue Lemon Agent — Companies register (RCS) Évry 817 946 114 —
Legal notice (in French): bluelemonagent.ai/mentions-legales

Scope of this document: the service operated by Blue Lemon Agent. For an agent deployed at your premises, the applicable location is that of the architecture set out in the quotation and verified before commissioning; local execution is announced only for the configuration explicitly described and accepted in the quotation; the applicable isolation depends on the deployment mode set out in the quotation, no dedicated isolation being presumed; the encryption mechanisms in transit and at rest, their components and key management are those documented for the architecture chosen; roles and permissions are configured and accepted for the identities and systems actually connected; the events logged, their content, their retention period and who may access them are defined for the deployment chosen.
