Fictional document — demonstration example

This document is produced by the Blue Lemon Agent website to illustrate what an AI agent hands to its users. The companies, matters, amounts and people in it are invented. It has no legal, accounting or commercial value.

Fictional document, produced for demonstration. **The web always answers**: a tool that never says "nothing" presents as an answer the first page that looks like one.

Cause	Count	What is handed back
Answer not published	**19**	**Where I searched, and what comes close**
Badly-put question — two in one	**16**	**Both questions, separated**
Contradictory public sources	**12**	**Both positions, sources and dates**

Three times out of four, saying where you searched is enough for the person to reformulate.

On the 12 contradictions

Action	Done?
Settle it	**No**
Give both positions	**Yes**
Say that they conflict	**Yes**
