Fictional document — demonstration example

This document is produced by the Blue Lemon Agent website to illustrate what an AI agent hands to its users. The companies, matters, amounts and people in it are invented. It has no legal, accounting or commercial value.

Fictional document, produced for the demonstration. **It is a first draft, meant to be reworked and approved.** The template is Hydralis's, the tone is that of its guide, and **every claim links back to the document it comes from, with its date**. **Nothing is published: the agent has no write access to the site.**

What was read to write it

Source	Volume	What it brings
Neris PIM sheets	6 references	All the numerical characteristics
Index A manual of 04/09/2026	1 document	Operating limits and installation safety
Test reports from March and June	**3 documents**	**All performance measurements and their conditions**
Press kit	1 document	Positioning — **and 1 claim not confirmed by any test**

Source	Volume	What it brings
Visit reports	**17**	**The field problem, described in the customers' own words**

The template, held part by part

Step	Before	Today
Total, brief to publication	**11 days**	**3 days**
First draft, as a share of production time	**50 %**	**18 %**

> **Four claims are highlighted and must not be published without the engineering office's signature**: those whose source is more than three years old, and those comparing Neris with a competing product. **They do not need a review, they need a signature.**
