> **Fictional document — demonstration example**
> This document is produced by the Blue Lemon Agent website to illustrate what an AI agent hands to its users. The companies, matters, amounts and people in it are invented. It has no legal, accounting or commercial value.

> **Fictional document**, produced for demonstration. **The difference between "your balance shows" and "you are entitled to" is the whole subject of this page.**

The two sentences

Wording	What it asserts	Verifiable?
"Your balance shows 12.5 days as at 31/07"	**What the system contains**	**Yes**
"You are entitled to 12.5 days"	**An entitlement**	**No — a balance can be wrong**

> **Fourteen balances are wrong this morning.** It is the most direct demonstration that the first sentence and the second do not say the same thing.
