Fictional document

> **Fictional document — demonstration example**
> This document is produced by the Blue Lemon Agent website to illustrate what an AI agent hands to its users. The companies, matters, amounts and people in it are invented. It has no legal, accounting or commercial value.

> **Fictional document**, produced for demonstration. **A newcomer who knows their questions are being counted stops asking.** They guess, they ask a colleague, or they apply what they believe — and the damage is invisible, since nobody measures the questions that were never asked.

| Item | Kept? | Why |
|---|---|---|
| The question asked | **Yes** | **Reworded without what identifies it** |
| The answer given | **Yes** | Checking what was said |
| **The procedure cited and its date** | **Yes** | **Retracing the path** |
| The absence of an answer | **Yes** | **The 71 are the most useful part** |
| Out-of-date documents opened | **Yes, as counts** | Without identifying who opens them |
| **Who asked the question** | **Impossible** | **Would destroy what the tool must produce** |

| Item | Kept? | Why |
|---|---|---|
| **Questions per person** | **Impossible** | **Same reason** |
| **Procedures consulted by a person** | **Impossible** | **Same reason** |
| **Time taken to find** | **Impossible** | **Would become an aptitude indicator** |

> **None of those four is available to a manager, because none of them exists.** It is not an access setting: the question is recorded detached from its author at the moment it is asked.

## What the monthly summary contains

| Content | What it is about |
|---|---|
| Most requested subjects | **Your documents** |
| **Questions with no written answer** | **Your procedures** |
| Out-of-date documents in circulation | **Your circuits** |

Three indicators about the authority's documents, none about its officers. That is also where the gains are: all four of this morning's flags came from a document, never from a person.

## To be set by the authority

Retention period for questions and their answers: _____ months

Retention period for the monthly summary: _____ months
