# Three absences — search method

LINDBERGH FORMATION — 16 rue de Maillé, 91310 Montlhéry, France · Companies register (RCS) Evry 817 946 114

Document issued on 09/11/2026

Fictional document

> **Fictional document — demonstration example**
> This document is produced by the Blue Lemon Agent website to illustrate what an AI agent hands to its users. The companies, matters, amounts and people in it are invented. It has no legal, accounting or commercial value.

> **Fictional document**, produced for demonstration. **An absence asserted without a method is worth nothing.** This document gives, for each of the three, what was searched for and what was found.

## Absence 1 — the costing

| Term searched | Occurrences | Attached to a recommendation |
|---|---|---|
| cost | 6 | **0** |
| budget | 5 | **0** |
| amount | 4 | **0** |
| euro | 2 | **0** |
| Total | **17** | **0** |

All seventeen occurrences sit between pages 11 and 19, in the budgetary context section. None appears between pages 158 and 174, where the recommendations are.

## Absence 2 — the timetable

| Type of date found | Count | Enforceable? |
|---|---|---|
| Recall of a past event | 23 | **No** |
| Publication date of a text | 9 | No |
| **Future deadline** | **1** | **Yes — appendix 4, p. 187** |

## Absence 3 — small authorities

| Check | Result | Page |
|---|---|---|
| Scope announced | "all authorities" | p. 5 |
| 3,500-resident threshold mentioned? | **Nowhere** | search across 214 pp. |
| Sample size | 42 authorities | p. 21 |
| **Smallest authority observed** | **8,200 residents** | **p. 21** |

> **The report announces a scope that includes small authorities and observed none.** That is not a contradiction in the report: it is a gap between its announced scope and its sample, and it is recorded here without drawing a consequence.

## What the agent establishes, and what it leaves you to draw from it

**The report observed no authority under 3,500 residents**: that is a fact, and it reaches you recorded, with no conclusion drawn. **The conclusion belongs to the service** — caution in transposing, a request for clarification from the authors, or nothing. **You decide on a measured gap instead of an impression left by a reading.**

---

Scope of this document: the service operated by Blue Lemon Agent. For an agent deployed at your premises, the applicable location is that of the architecture set out in the quotation and verified before commissioning; local execution is announced only for the configuration explicitly described and accepted in the quotation; the applicable isolation depends on the deployment mode set out in the quotation, no dedicated isolation being presumed; the encryption mechanisms in transit and at rest, their components and key management are those documented for the architecture chosen; roles and permissions are configured and accepted for the identities and systems actually connected; the events logged, their content, their retention period and who may access them are defined for the deployment chosen.
