Eleven people, six gaps with no effect

LINDBERGH FORMATION — 16 rue de Maillé, 91310 Montlhéry, France · Companies register (RCS) Evry 817 946 114

Document issued on 09/11/2026

Fictional document

Fictional document — demonstration example

This document is produced by the Blue Lemon Agent website to illustrate what an AI agent hands to its users. The companies, matters, amounts and people in it are invented. It has no legal, accounting or commercial value.

Fictional document, produced for demonstration. **A correction is not a technical notification.**

Situation	People
Answer based on a procedure no longer in force	**11**
Where the gap changed nothing to the final decision	**6**
Where the gap changed something	**5**

Saying so avoids eleven letters of which six would have alarmed people for nothing.

What supervision supplies, and does not do

Element	Supplied?
The list of 11	**Yes**

Element	Supplied?
The answer given	**Yes**
The answer the current version would have given	**Yes**
The gap between them	**Yes**
Contacting the people	**No**

How long the outdated version was applied	Value
Weeks	**7**
Means of seeing it earlier	**None**

Scope of this document: the service operated by Blue Lemon Agent. For an agent deployed at your premises, the applicable location is that of the architecture set out in the quotation and verified before commissioning; local execution is announced only for the configuration explicitly described and accepted in the quotation; the applicable isolation depends on the deployment mode set out in the quotation, no dedicated isolation being presumed; the encryption mechanisms in transit and at rest, their components and key management are those documented for the architecture chosen; roles and permissions are configured and accepted for the identities and systems actually connected; the events logged, their content, their retention period and who may access them are defined for the deployment chosen.
